Very nice draft. I've suggested some tweaks to the second-to-last paragraph – see attached. Ken

Susan,

Thanks for draft this response letter. I have made suggested edits in the attached track changes.

Ken, Matt, Mike, Denny,

What do you think? If you have edits please add them and send to all by COB Wednesday. Susan can finalize the response. (She's back Thursday.) I make the response from Ken since Fall River's letter was to him. OK?
